

## So, Ya' Wanna Start Somethin'?!

Well, we do. Several of your fellow reënactors and living historians have decided to try something a little different. We've decided to form a pre-1840 Texas, living history organization that attempts to go beyond the traditional roles of most existing living history groups. Our goals are several:

- 1) to research, preserve and teach the skills and history of pre-1840 Texas.
- 2) to providing schools, organizations and the public at large with broad-based and accurate historical perspectives of early Texas in a realistic and safe interactive environment.
- 3) to provide historical perspectives, not only of early European pio neers, but Afro-American, Native American and Hispanic perspectives, as well.
- 4) to always keep learning.

Above all, we want our membership to work for our membership. We want to create a family oriented environment that nurtures learning, cooperation, mutual support and understanding. We want to be able to provide our members with up to date

### The Bottom Line

Dues of \$20 per year (payable by April 21<sup>st</sup> of every year) will entitle each member to:

- ◆ draw 1 pound of black powder per year from Association supplies.
- ◆ Support the TLA website.
- ◆ receive email notices of regular happenings and special events in the living history field.
- ◆ support research on the history of early Texas.

information on events, concerns and legislation or regulations which may affect our hobby. We want to provide a helpful and friendly place where folks who are just getting started can feel comfortable and obtain accurate information. We want a place where we can encourage each other to grow and always improve our hobby.

If you want: to learn; to share what you learn; to be encouraged and to encourage others; this is the place.
